Field Surface: Field Turf

The Charlotte Regional was held at the Ardrey Kell H.S stadium and was a pretty large group of talented kickers and punters. Dan Orner Kicking and Punting with the help of local college Kickers Chris Hinkebein (UVA), Patrick Long (Harvard), and Drew Stewart (Marshall) ran the event. Typical June temperatures of about 96 degrees combined with humidity and the field turf pushed temperatures over 100 degrees for the 10am start.

2010 Kicker Thomas Moore (East Chapel Hill High NC) proved why he is one of the top kicking prospects in the country going 8 of 10 on FGs off the ground and consistently put KOs 70+ with 4.0 hang time (with 1inch KO block). Bryce Thompson 2010 (Providence High NC) put on the best FG showing of the day going 9 of 10 off the ground and consistently hit balls above the pipes from any distance. Bryce also averaged 64 yards on his KOs (1inch block) showing that he is a DIV 1 prospect for sure. 2011 Kickers Niklas Sade (Wakefield High NC) and Jesse Roy (Charlotte Catholic NC) showed that they will be DIV 1 recruits for next year, showing great height on FGs(1inch FG block) and both averaging nearly 63 yards on their KOs (one inch block). The 2012 class featured future DIV 1 kickers Paul Griggs (Charlotte Catholic NC) and Bradley Pinion (Northwest Cabarrus H.S NC); they showed great command of the skill on FGs (1 inch block) and each had multiple KOs that went out of the end zone.

Sam Myers 2010 (Charlotte Latin NC) showed why he was the All State Punter for NC as a junior, consistently hitting 45yd+ punts with great hang time. Tracy Murden 2010 (Ardrey Kell H.S NC), Dylan Neiheiser 2010 (Lake Norman H.S NC), Brett Cleveland 2010 (Summerville H.S SC) were close behind showing that each of them will be playing on Saturdays next fall.
